Snowmobile Trail Landowner Information**

Dear Iowa Snowdrifters Snowmobile Trail Landowner,

The Iowa Snowdrifters Snowmobile Club would like to thank you for your support of the Iowa Snowdrifters and the State of Iowa Snowmobile Trails maintained by the Iowa Snowdrifters which cross your land. As a registered landowner you are protected by a number of liability protections. In Iowa, landowners are covered by several statutes that provide liability protection when offering the use of their land for recreational purposes. Iowa Code Chapter 461C and 321G provide for exemptions to liability when a landowner allows snowmobiles to be operated on their land. These liability sections have been tested over the years, and were reaffirmed by the 2013 Iowa Legislature in House File 649 which was signed into law by the Governor on June 17, 2013, and was effective July 1, 2013. In addition, your property is also protected by trail insurance liability protection through the Iowa DNR and Iowa State Snowmobile Association which lists you as an additional insured in the amount of one million dollars coverage.
