Snowdrifters Trail System

RULES FOR TRAIL USERS

Snowmobiles must yield to all other vehicle traffic at all times. If you encounter horse drawn vehicles, please limit your speed to avoid spooking them. We rely on landowners for our trails; please respect them at all times.

These trails are funded by your registration dollars and the Snowdrifters Inc. No tax dollars are used to create or maintain these trails for Snowmobiles. The money received from the sale of these maps and the donations is used by the Snowdrifters Inc. to maintain these trails for your safety and enjoyment.

STAY ON THE MARKED TRAIL. If you put a single track in the wrong place, others may follow it. This can cause the loss of trail sections. The most common complaint are for noise and riding off the trail. Please ride quietly around housing areas and in towns. We sometimes face opposition when trying to expand the trail system, or maintaining what we have, because of noise. Know the rules for the towns you ride through. Some of them are posted on this map. Repeated violations will jeopardize the trails. Always check the condition of ice yourself before crossing it. Please limit trail usage during marginal snow conditions.

If you enjoy these trails and want a future for your sport, you should belong to the **Blue Ribbon Coalition**, **The Iowa State Snowmobile Association** and your local snowmobile club. The members of the Snowdrifters Inc. welcome you to join our club. Write to Snowdrifters Inc., PO Box 5735, Coralville, IA 52241 or visit our website at www.iowa-snowdrifters.org for more information.

This map is for reference only! Trails can change without notice. Always follow the marked trail.

General Rules in Towns:

Stay on the marked trails.

Speed Limit - 15 mph

Keep your noise down.

Please do not ride on sidewalks.

Ride between sidewalks and street.

Town Curfews:

North Liberty Sun - Thurs 10:30 pm Fri - Sat 12:00 am	Solon Sun - Thurs 10:00 pm Fri - Sat 12:00 am
Shueyville Midnight to 9:00 am everyday	

A sincere "Thank You" to all land owners. With your support you have helped the Snowdrifters Inc. to make this a safe and scenic trail system.
