New Business

- Groomer – last meeting we discussed about grooming operators getting together to discuss groomers.
- Old Trailer – Originally, we were going to give it to the Corp of Engineers. They are going through too many legal issues to put the trailer into the woods. Very unlikely that they can use it. It's worth \$90 for scrap. Joe Duffy made a motion to sell the trailer and put the funds toward the scholarship. Second – Rob Brumm - Approved
- Scholarships-4 applicants – awarded 2 - \$500 scholarships – Skyler Sadler and Brooklyn Dvorsky. Both have been informed. Will invite them to Tractor Pull to accept the award. Congratulations to both!
